

The Fairways of Canton Golf Club

Membership Application

Course Information

The course layout at our facility is one of the highest quality. Fairways of Canton take players on a journey through 18 holes and 6500 yards of play. The course is a par 72, and it features some of the best views in the region. Be warned – this is not a course that can be overpowered. Many fairways are generous, and most greens are on the smaller side with numerous chipping areas to assist you if you miss a green or two during a round. Our greens are the only Ultra-Dwarf Bermuda Greens at any public golf course in the area. Correct placement on greens is pivotal to good scoring.
